Rating:	Extra Heavy Duty Residential (Stairs)
Installation:	Please contact Urban Flooring for all adhesive and installation instructions. NB: If recommended adhesive is not used, claims will not be accepted. All seams must be sealed. Must be laid in accordance with AS/NZ Installation Standards.

- This carpet must be installed in accordance with AS/NZS 2455.1:2007.
- Seam sealer must be used on all joins. This applies to all installations.
- Chair mats are mandatory under chairs with castors. This will improve appearance retention.
- Pile Reversal / Watermarking is a permanent condition that affects mainly cut pile carpets, especially plush pile styles.
- Permanent pile reversal does not affect the performance of the carpet and therefore does not constitute as manufacturing defects.
- Please be aware that due to variations in dye lots, sample shade may vary from the actual product supplied.

**The technical details and other information contained in this document are given in good faith and represent product data we believe to be accurate at the time of printing. Technical details are based on averages obtained from the manufacturing process which may vary within normal industry tolerances.*
