Features & Benefits

Naturally absorbs odours

Active Care™ salt based treatment means Breathe Easy carpets can eradicate common household odours like pet odours, and cigarette smoke. It does not leach, is safe for the environment and has low volatile organic compounds (VOCs).

Durability

Easybac™ backing on Breathe Easy carpets provides improved dimensional stability and bond strength while adding thermal and acoustic insulation properties. The woven soft cloth backing contains recycled material and protects skirting boards and walls from damage during installation.

Antimicrobial protection

Breathe Easy carpets are treated with Ultra-fresh™ antimicrobial technology. It has passed the most stringent international testing procedures for efficacy and safety and is independently monitored to ensure this efficacy is maintained. Ultra-fresh™ treatment on Breathe Easy carpets inhibits the growth of bacteria, mould, mildew and fungi and does not allow dust mites and carpet beetles to breed, giving you peace of mind that your carpet is allergen safe.

Appearance retention

Resistain SDN™ is the latest generation of solution dyed nylon yarns that provides high resistance in demanding residential environments. Designed to withstand New Zealand's harsh conditions, Resistain SDN™ is UV stabilised, offering enhanced appearance retention and protection from spills.

Stain resistance

Jacobsen Breathe Easy carpets has CarpetShield stain protection. This provides antisoiling properties, added stain resistance, and is oil and water repellent which helps to keep your Breathe Easy carpet clean and looking good for years to come.

Solid shade carpets may exhibit colour streaking. Tufting of this carpet may incur shift lines across the width of the carpet. This is not a manufacturing fault and will not affect the performance of this carpet. Patterned carpets with directional designs may be subject to pattern distortion. Exact pattern match cannot be guaranteed.

Our goods come with guarantees that cannot be excluded under the New Zealand Consumer Law.
