

Limited Warranty

RESIDENTIAL VINYL

Scope

For a period of 5, 10 and 15 years from the date of purchase as specified on the invoice, Jacobsen makes the following limited warranty for our residential vinyl ranges:

Jacobsen warrants these products against:

- Apparent defects, that have been indicated to Jacobsen or the retailer prior to laying, such as; defects of appearance, structural defects, indelible stains and defects on the backing (not including backing impressions).
- Manufacturing defects, that have been indicated to Jacobsen or the retailer during the warranty period, causing an abnormal change after a time, such as early wear.

This Limited Warranty will apply provided that all the conditions hereinafter mentioned have been observed.

Installation

The product must have been installed in accordance with the most recent installation instructions applicable to the product. As undue or abnormal wear is often due to poor installation, Jacobsen recommends that all their floor coverings are professionally installed.

Maintenance

An adequate maintenance programme must be put in place immediately after installation, and this must include an adequate dirt barrier at all entrance points where an entrance from the exterior or from heavily soiled areas is apparent. All floors can be damaged by abrasive grit and debris carried inside from outside on footwear. Prevent such wear by using doormats at all entrances (avoid using mats with rubber backs as these can cause discoloration). For further information request a copy of Jacobsen's current installation and maintenance guide from your retailer.

Use

The product must be used in accordance with the recommended use specified by Jacobsen technical documentation.

The accessories used in subfloor preparation such as, adhesives and welding rods, shall be used in accordance with the updated laying instructions applicable to the product.
